Dear Mastodon Township Resident:

Because our Township opted into the Michigan Recreational Marijuana Act, we receive state funds for simply having recreational marijuana retail centers in our Township. This year we received \$56,453.44. As these businesses grow in our Township, we have the opportunity for this figure to increase. Our recreational marijuana ordinance provides that ten percent (\$5,645.34) of these funds be distributed to our Township Recreation Plan. That leaves a balance of \$50,808.10. The purpose of this letter is to seek your opinion on the best way for the Township to benefit from these funds, now and in the future.

Please complete the lower portion of this letter and return it to me at the above address or email it to me at mastodonclerk@att.net. Thank you so much for your opinion.

Jan Lemke, Clerk
